

**Official Side Event of the Berlin Energy Transition Dialogue 2020**  
**Guided tour: Berlin Energy Sightseeing and Urban Sustainability**

**Friday, 27 March 2020 | language: English |**

Did you know that the majority of governmental buildings in Berlin, in addition to the whole governmental district, were built using advanced renewable technologies and are highly sustainable and energy efficient? If not, then join us to gain unique insight into sustainable urban planning and the construction of some of the most significant buildings and areas in Berlin.

**Please note:** Due to safety reasons, some sites can only be visited with flat and sturdy shoes. Changeable weather conditions require weatherproof clothing. Packed lunches will be provided. Filming and photography are not allowed unless otherwise indicated at the site.
